

The Bus Driver

○	At the second stop, 5 more people get on the bus and 2 people get off.
○	Imagine that you are driving a bus.
○	There is no one at the next stop, but 3 people get off.
○	How old is the bus driver?
○	You pick up 20 people at your first stop.
○	At the fourth stop, 5 people get off and a 90-year-old lady slowly gets on the bus.

Write your answer:

The Taxi Driver

○	across a park
○	Why not?
○	and into a house.
○	A police officer witnesses everything,
○	A taxi driver runs through two stop signs,
○	but doesn't do anything.

Write your answer:

The Bus Driver

3	At the second stop, 5 more people get on the bus and 2 people get off.
1	Imagine that you are driving a bus.
4	There is no one at the next stop, but 3 people get off.
6	How old is the bus driver?
2	You pick up 20 people at your first stop.
5	At the fourth stop, 5 people get off and a 90-year-old lady slowly gets on the bus.

Answer:

*The reader is the bus driver. (Imagine YOU are a bus driver.)
So, the bus driver's age is the reader's age.*

The Taxi Driver

2	across a park
6	Why not?
3	and into a house.
4	A police officer witnesses everything,
1	A taxi driver runs through two stop signs,
5	but doesn't do anything.

Answer:

The taxi driver is out jogging (not driving his cab).
