# PROVERB PUZZLE#2

## Answers:

An apple a day keeps the doctor away.  
The best things in life are free.  
Money doesn't grow on trees.  
You can't teach an old dog new tricks.

## Questions:

Can you guess what the proverbs mean?  
Do you agree with the proverbs?  
Can you give some examples of situations where you might use the proverbs?

## Definitions:

### **An apple a day keeps the doctor away.**

Apples are so healthy that if you eat an apple every day, you will never need to see a doctor.  
*Remember to take an apple in your lunch today. An apple a day keeps the doctor away.*  
*Grandma always fed us lots of apples when we visited her. She believed that an apple a day keeps the doctor away.*

### **The best things in life are free.**

The most satisfying experiences do not cost any money.  
*Don't feel down because you're broke. The best things in life are free.*  
*Yesterday I took my children to park. We didn't spend a penny, but we had a wonderful time.*  
*The best things in life are free.*

### **Money doesn't grow on trees.**

It's not easy to earn money so you should be careful how you spend it.  
*"Dad, can I have a new bike?" "We can't afford one. Money doesn't grow on trees, you know."*

### **You can't teach an old dog new tricks.**

It's very difficult to teach someone new skills or to change someone's habits or beliefs.  
*You're never going to teach your grandfather how to use a computer. You can't teach an old dog new tricks, you know.*
